Certified Survey
Technician
(CST) Program

Summer 2008 Workshops and Examination

The New Hampshire Land Surveyors Association invites all survey technicians to attend a series of workshops where field and office personnel will prepare for the National CST Exam, Levels I, II & III. Level IV exam is also available.

Along with the National Society of Professional Surveyors (NSPS,) the NHLSA is encouraging technicians including entry level to party chiefs and entry office personnel to senior office managers to seek recognition and certification as:

“Certified Survey Technicians”
