Take Route 4 to I-393. Use Exit 1 and follow the signs.

You Belong Here.

NHTI is a dynamic public institution of higher learning that provides accessible education for students, businesses, and the community. We create pathways for lifelong learning, career advancement, and civic engagement, offering 80+ academic programs to 4,600+ students annually.

NHTI was opened in 1965 as New Hampshire Technical Institute with three engineering technology programs. In 2008, we became NHTI – Concord's Community College to reflect our growth to a comprehensive community college.

NHTI is situated in south central New Hampshire in the capital city of Concord. The campus sits on 240 acres of fields and woods with frontage on the Merrimack River. It's an easy drive to the White Mountains, New Hampshire's Lakes Region, the New England seacoast, and metropolitan Boston.

NHTI is a member of the Community College System of New Hampshire and since 1969 has been accredited by the New England Commission of Higher Education, a nongovernmental, national accrediting agency.
