The New Hampshire Land Surveyors Foundation anticipates that the sole use of the scholarship will be for tuition payment. However, in some instances, subject to approval of the NHLSF Board of Trustees, funds may be used for education-related expenses such as textbooks, required equipment and lab fees. If you anticipate using the scholarship for other than tuition, please list such uses along with a brief explanation.

I understand that the New Hampshire Land Surveyors Foundation requires that the sole use of the scholarship will be for tuition payment unless the NHLSF Board of Trustees approves in writing use of the funds for specific education-related expenses. I hereby certify that, if selected, I will use the scholarship solely for tuition payment or specific-related expenses approved in writing by the NHLSF Board of Trustees and agree to provide verification of the same upon request. I understand that failure to comply with this requirement will result in loss of the scholarship and agree to repay all amounts disbursed to me prior to such noncompliance.
